

Celebrate Lunar New Year

On January 28 from 2-4pm, the Placitas Community Library will host its annual Lunar New Year celebration. This is the “Year of the DRAGON”. There will be stories, games and prizes and crafts for all ages. We’re also planning to do some cooking and tasting of some of Lunar New Year’s special foods. Once again community members will be making hand prints to create an enormous dragon which will hang in the Library. Make sure make a handprint for the Dragon. Adults and children can come to the Library to make handprints beginning January 17. The more handprints we make the longer the dragon will be. We might be able to make a dragon big enough to go around all the Library walls, but we’ll need your help. Children at Placitas Elementary School will also have opportunities to make handprints. Join us for a fun celebration!

Teen activities will begin again in January. The Library offers Chess Club for all ages on the first Saturday (Jan 7) of each month. The Teen Advisory Group (open to all Placitas area teens) meets on the second Saturday (Jan 14). This group helps plan teen activities for the year and helps choose new books, movies and games for the Library to purchase. On the last Friday evening of each month (Jan 27) is Game Night with both Xbox and Yugio. So bring your controller and join the fun!
